PARKING FOR COMMENCEMENT

For Commencement, parking on the UCI campus is complimentary and no permits are required. Plenty of parking is available with less than a 10-minute walk to the Bren Events Center. Avoid parking in disabled, service or X stalls without the proper permit. Inside this travel guide, you will find a map listing recommended parking areas by ceremony and walking routes to the Bren Events Center. As with any large event, traffic congestion is expected, so guests should plan to arrive 60-minutes before the start of the ceremony. As you enter campus, our dedicated traffic directors and event attendants will guide you to the best available parking.

CARPOOLING

Carpooling is strongly encouraged for those arriving. Please arrange with your family and guests to ride together to the Bren Events Center. If you would like to join fellow Anteaters in a carpool, use the Waze Carpool App. This on-demand carpooling matching service, unlike ride-hailing services, is dedicated to eliminate excessive vehicle use and reduce trips on the road. A Waze Carpool is available for Android and iOS and can be used to find carpool matches for drivers and riders alike.

DISABLED PARKING

There is no need to make advance arrangements with UCI Transportation for disabled parking or mobility assistance. We will be ready to accommodate those in need, at designated parking areas, as soon as they arrive on campus. Please display the placard upon arrival, as this will assist our staff in directing you to the nearest designated parking area.

MOBILITY ASSISTANCE

Once parked, please notify a UCI Transportation staff member if you need assistance to the Bren Events Center. Our cart drivers will shuttle you to the Bren Events Center turnout. This service is limited to the disabled/mobility impaired and one family member.
